Youth Firesetter Intervention Seminar

Children who set fires can have an impact on our communities and first responders. This **FREE** one-day seminar will help explain the Youth Firesetter Intervention Team concept and gain a better understanding of why children sometimes set fires.

This workshop includes presentations from:

- Techniques for Interviewing Children – Sunflower House
- Lessons Learned: Case Study - Youth Fire Safety Intervention Team of Eastern Kansas - Panel Presentation
- A Success Story: Case Study – Fire Marshal Chris Beal with the City of Belton Fire Department

Brought to you by the:

Youth Firesetter Intervention Team of Eastern Kansas

“Our mission is to preserve life and property by reducing youth firesetting and hazardous device incidents through intervention programs, education and referrals for youth and their families.”

When?

**November 7th,
2019 from 8:30am
to 4:00pm**

Lunch Provided
